

CHANGE NOTIFICATION

Date: August 12, 2020

RE: Notification of change of ownership of MicroMed Laboratories, Petaluma, CA
(updated from June 24, 2020)

To Whom It May Concern,

This letter is to inform customers and vendors of the following upcoming changes to the organization.

MICROMED LABORATORIES (PETALUMA, CA) HAS BEEN ACQUIRED BY:

INFINITY LABORATORY GROUP, INC

The facility will continue to operate under the name of MicoMed Laboratories for the next 90 days at which point MicoMed Laboratories will be renamed to Infinity Laboratories. Associated registrations, certifications, and licenses will be updated to reflect ownership change, as appropriate. No other changes to system, processes, customer pricing, or tests at MicroMed Laboratories are created by this announcement. To support this change, additional correspondence will be made available in the upcoming days, specifically regarding updated accounting and banking information. For more details regarding this acquisition, please refer to the Infinity Laboratories company website ([Press Release](#)).

MicroMed Laboratories parent company, Infinity Laboratory Group, Inc., is a leading pharmaceutical, medical device, and biotechnology laboratory network that is headquartered in Castle Rock, CO, and has additional offices in San Diego, CA.

Test Facility Certifications, Licenses & Accreditations

MicroMed Laboratories is a test facility with the following registrations:

ISO 9001:2015 (DEKRA Certification, Inc.)
Certificate No. 510517.001

Business License #: L-0802639
City of Petaluma, CA

Thank you for your continued support and patronage.
