

CHANGE NOTIFICATION

Date: June 21, 2021

RE: Notification of ownership change of Advanced Analytical Testing Laboratories, Inc.
North Brunswick, NJ.

To Whom It May Concern,

This letter is to inform customers and vendors of the following upcoming changes to the organization.

Advanced Analytical Testing Laboratories, Inc. (North Brunswick, NJ) HAS BEEN ACQUIRED BY:

INFINITY LABORATORY GROUP, INC

The facility will continue to operate under the name of Advanced Analytical Testing Laboratories, Inc. (AATL) for the next 120 days at which point Advanced Analytical Testing Laboratories, Inc. will be renamed to Infinity Laboratories. Associated registrations, certifications, and licenses will be updated to reflect ownership change, as appropriate. No other changes to system, processes, customer pricing, or services are created by this announcement. To support this change, additional correspondence will be made available in the upcoming days, specifically regarding updated accounting and banking information. For more details regarding this acquisition, please refer to the Infinity Laboratories company website at www.Infinitylaboratories.com.

Infinity Laboratory Group, Inc., is a leading pharmaceutical, medical device, and biotechnology laboratory network that is headquartered in Castle Rock, CO, and has additional offices in San Diego, CA, San Jose, CA, Petaluma CA, St. Louis, MO, and Bound Brook, NJ.
